#### USE OF DRUGS DIMINISHING **GAGER**

It has been stated that the expense for drugs at the Massachusetts General Hospital has been raduced 50 per cent in ten years—but the demand for such non-secret, reliable remedies as Vinol is largely on the increase. Our local drugsist, G. G. Engler, Proprietor of the Broadway Pharmacy, goes so far as to guarantee Vinol for weak, run-down conditions, chronic coughs, colds and bronchitis, because one gets in Vinol a combination of the three most famous tonics, iron for the blood, the healing medicinal extractives of fresh cod livers, and the nourishing properties of beef peptone, all in a delicious native wine.
